

CORONAVIRUS AND KIDS: RESOURCES FROM SAVE THE CHILDREN

VROOM®: TURNING EVERYDAY MOMENTS INTO BRAIN-BUILDING MOMENTS

You have what it takes to be a brain builder! Save the Children and Vroom provide valuable resources that help parents and caregivers of children (birth to age 5) turn everyday moments into brain-building moments.

Visit [Vroom.org](https://vroom.org) and Try a Vroom Tip™

Vroom Tips help you do more with your shared moments. Add learning to mealtime, bathtime, bedtime or anytime with 1,000+ fun, free activities. Tips inspire fun and learning whenever you have time. Pick tips by category or setting to find tips that work for you.

Download the Free App

Like what you see? Vroom Tips are available in a variety of formats! Weekly tips can be sent to your cellphone with Vroom by Text™, and print-at-home tip sheets are at [Vroom.org](https://vroom.org) too! The Vroom app is available in your browser on any Android or Apple device and lets you personalized tips just for you. Choose your child's age and set tip delivery time or a reminder. Celebrate your progress and keep track of your favorite tips. You can add photos to make a digital scrapbook of all of your brain-building moments.

Best of all, Vroom doesn't just tell you what to do, it helps you know why you are doing it as you learn the science behind the way each activity builds your child's brain. Use Vroom's Five Brain Building Basics™ to add learning to any part of your day!

For more information on Vroom resources, visit [Vroom.org](https://vroom.org).
