### DONATIONS OF LIFE INSURANCE, IRA OR OTHER RETIREMENT PLAN

Assets such as life insurance and pension plans typically pass through "beneficiary designation", as opposed to being disposed of through a will. A beneficiary designation is a contract between you and your insurance company or pension plan administrator to transfer the asset at your death to the person(s) or institution(s) you have designated.

To designate Save the Children Federation, Inc. as the beneficiary of such an asset, you should contact your insurance company or plan administrator and request a "change of beneficiary" form. You will need to complete the form and return it to them, using Tax ID#06-0726487 for Save the Children Federation, Inc., in lieu of a social security number.
