Together, we're giving children the chance to experience a better tomorrow!

I hope you'll be as inspired as I am by the difference you help make possible in Egypt through your support.

Whether we're working to overcome the ongoing impacts of COVID-19, the dangers of war and conflict, and the devastating impacts of climate change — or ensuring every child has equal access to the future they deserve — your generosity helps make a better tomorrow possible!

The successes you'll read about inside are proof. Our partnerships are as strong as ever, and more lasting change is happening community-wide than ever before.

But even after all our successes, the need still continues. That's why we're so grateful each day for your support.

On behalf of our staff in Egypt and all of us at Save the Children — **thank you!**

With gratitude,

Janti Soeripto
President & CEO

*Thank you for
making lasting
change for children
in Egypt.*

Basmala wants to teach someday ... you will help make it possible!

Twelve-year-old Basmala* lives with her mother, father and two brothers in Miya.

Basmala's dad works in Cairo, so she only sees him on weekends. But she shares with him everything she's learning at her school that Save the Children supports.

Math is Basmala's favorite subject, but she also loves both her art class and learning physical education. And being with her friends is really amazing.

Through Save the Children programs, Basmala discovered her confidence. And she's passionate about learning and then teaching and sharing with others all of her discoveries.

When she's not studying, or with her friends, Basmala likes to sing, dance and act — and spend time with her family.

Your contributions, combined with those of other sponsors, make it possible for Basmala and other children to achieve their goals. Thank you for believing in a better future for children worldwide.

"I want to study hard and be the best student."

– Basmala

Save the Children in Egypt

1982

The year Save the Children began sponsorship in Egypt

1,024

School-aged children benefited from child protection services in 2022

112,810

Children and adults were reached directly in 2022

IMPACT YOUR SUPPORT MADE POSSIBLE

Community Health

2,000 children in 2 local schools in Mallawi received a hygiene kit and participated in health awareness education programs that promoted the importance of hygiene to prevent sickness and diseases.

Early Childhood Development

2,049 children in greater Cairo successfully benefited from early childhood education programs, increasing their abilities in social and literacy skills that will help prepare them to enroll in school.

Adolescents' Development

43,424 teens girls in Minia and Mallawi were reached with sexual and reproductive health resources for the prevention of sexually transmitted diseases and teen pregnancy.

Child Protection

1,891 children in Minia benefited from child safety training for parents and teachers that provided resources equipping them to develop nurturing learning environments at school and in the home.

*Names changed for protection.

More Important Results!

You made so much good possible last year. Here are a few more important results:

8,490 new moms were provided with prenatal and postnatal care and received resources to help them take care of their newborns.

4,200 women and children received access to health and medical services through 28 Mobile Health Caravans for evaluation, prevention and referrals.

26 Early Childhood Education Centers were equipped and outfitted with new learning resources and materials to improve children's education.

TEAM TOMORROW

Learn more about making a better tomorrow possible for children ... starting today!

Eleven-year-old Nisha in Nepal is no stranger to the devastating effects of climate change.

Extreme heat followed by unseasonable rains spoiled her family's crops and diminished their only food source. Nisha and her family struggled tremendously.

"My parents had to buy expensive rice because our crops were destroyed. They were unable to provide necessary school supplies and a uniform for me. It is difficult to go to school without the proper uniform, pens and supplies for class."

Thanks to supporters like you, Nisha is benefiting greatly from programs that protect her rights, health and education — giving her equal opportunity to experience a better tomorrow and a brighter future.

Want to know more about our programs to address the issues of poverty in the United States, inequality, conflict, climate change and more? Visit savethechildren.org/teamtomorrow or scan the QR code.
