Together, we're giving children the chance to experience a better tomorrow!

I hope you'll be as inspired as I am by the difference you help make possible in the United States through your support.

Whether we're working to overcome the ongoing impacts of COVID-19, the dangers of war and conflict, and the devastating impacts of climate change — or ensuring every child has equal access to the future they deserve — your generosity helps make a better tomorrow possible!

The successes you'll read about inside are proof. Our partnerships are as strong as ever, and more lasting change is happening community-wide than ever before.

But even after all our successes, the need still continues. That's why we're so grateful each day for your support.

On behalf of our staff in the United States and all of us at Save the Children — **thank you!**

With gratitude,

Janti Soeripto
President & CEO

*Thank you for
making lasting
change for children
in the United States.*

Danielle dreams of becoming a doctor ... you will help make it possible!

Twelve-year-old Danielle* lives with her family in Kentucky.

Being a part of Save the Children has helped Danielle discover who she is — and she says it's made her a better person. Danielle has benefited from the learning opportunities and the fun she's had through all her experiences.

Through Save the Children programs, Danielle is also growing more confident in herself. And she's most proud about how she's excelled in her education.

When she's not studying, you can find Danielle spending time with her friends.

Your contributions, combined with those of other sponsors, make it possible for Danielle and other children to achieve their goals. Thank you for believing in a better future for children worldwide.

"I really want to be able to help people when I grow up."
— Danielle

Save the Children in United States

1938

The year Save the Children began sponsorship in United States

5,697

Children benefited from Early Childhood Education programs in 2022

336,137

Children and adults were reached directly in 2022

IMPACT YOUR SUPPORT MADE POSSIBLE

Community Education

2,470 children across 91 local schools excelled in Literacy Boost programs that helped them improve their spelling, writing and reading comprehension to help them get back on track.

Early Childhood Education

61 communities benefited from the implementation of new Early Childhood Education programs that reached children under the age of 5 and their parents with tools and resources to prepare children for school.

Whole Child Approach

105,273 children benefited from "whole child" approaches that include Kindergarten Readiness events and programs, social-emotional learning support, learning kits, summer feeding support and backpack programs.

Community Engagement

24 local communities — including children, parents and educators — participated in Summer Boost and Kinderboost programs that helped prepare children for advancing across their grade levels for the year ahead.

*Names changed for protection.

More Important Results!

You made so much good possible last year. Here are a few more important results:

6 new sponsorship sites were launched in Mississippi, providing social-emotional learning kits with books for families to build at-home libraries.

16,660 text, video, phone or at-home visits were conducted in Kentucky to encourage families in their efforts to support their children's development.

6,620 children in Mississippi attended book distributions and other community events that focused on the importance of literacy.

TEAM TOMORROW

Learn more about making a better tomorrow possible for children ... starting today!

Eleven-year-old Nisha in Nepal is no stranger to the devastating effects of climate change.

Extreme heat followed by unseasonable rains spoiled her family's crops and diminished their only food source. Nisha and her family struggled tremendously.

"My parents had to buy expensive rice because our crops were destroyed. They were unable to provide necessary school supplies and a uniform for me. It is difficult to go to school without the proper uniform, pens and supplies for class."

Thanks to supporters like you, Nisha is benefiting greatly from programs that protect her rights, health and education — giving her equal opportunity to experience a better tomorrow and a brighter future.

Want to know more about our programs to address the issues of poverty in the United States, inequality, conflict, climate change and more? Visit savethechildren.org/teamtomorrow or scan the QR code.
