THANK YOU FOR YOUR CONTINUOUS SUPPORT!

Thank you for being a sponsor and improving the lives of children around the world! In response to the coronavirus pandemic, our sponsorship programs prioritized the health and safety of children by limiting all nonessential interactions. Although this letter is not from your sponsored child, we hope you will enjoy the letter below from a child in your sponsorship country as a thank you for your commitment to children during this time. Dear Sponsor,

I am so happy to write you letter today. I am fine and safe with my family. I study at home. I like to write alphabets and like to make drawing. I like to play with my elder sister Saloni. We play ludo and bat and ball together. I want to become a Teacher when I grow up. At our house when community facilitator visit they tell us to wash our hands regularly.

I heartily thank you for all your support. Well wishes to you.
