Thank you for your continuous support!

Thank you for being a sponsor and improving the lives of children around the world! In response to the coronavirus pandemic, our sponsorship programs prioritized the health and safety of children by limiting all nonessential interactions. Although this letter is not from your sponsored child, we hope you will enjoy the letter below from a child in your sponsorship country as a thank you for your commitment to children during this time. Thank you!

My name is Fatoumata. Due to COVID-19, schools are closed and sponsor letters are suspended to avoid the risk of contamination. We received masks, hygiene kits and sensitizing posters from Save the Children sponsorship programs. Only exam classes are open now with barrier measures. I play hopscotch when I am free. I would like to become a teacher.

Je m'appelle Fatoumata, pendant le COVID-19, les écoles étaient fermées, il y avait plus de correspondance des parents cause d'une inquiétude de risque de contamination. Nous avons reçu des caches nez, kits d'hygiène et les affiches de sensibilisation. Présentement, je vais pas à l'école, seule les classes d'examens sont ouvertes, et les mesures de barrière. Je joue à la marelle. J'aimerait être enseignante.
