

# YOUR LETTER'S JOURNEY

## YOUR LETTER GOES A LONG WAY

It might take trains, planes and automobiles to get there... but when your letter reaches the child you sponsor, it makes a big impact! The whole journey can take **up to four months**, so please be patient.

- 
- 1** Your letter's long journey begins when you send a message via mail or email.
  - 2** Your letter is reviewed and translated by our local staff.
  - 3** We deliver your letter to even the most remote places, putting a smile on a child's face.
  - 4** We carefully translate their words for you.
  - 5** Their letter travels to our headquarter office.
  - 6** We help the child you sponsor read your letter and write back.
  - 7** Time to hit the mail! We wave goodbye and send your letter on its way.
