THANK YOU FOR YOUR CONTINUOUS SUPPORT!

Thank you for being a sponsor and improving the lives of children around the world! In response to the coronavirus pandemic, our sponsorship programs prioritized the health and safety of children by limiting all nonessential interactions. Although this letter is not from your sponsored child, we hope you will enjoy the letter below from a child in your sponsorship country as a thank you for your commitment to children during this time. Thank you!

Hello,

My name is Tanky. I like playing football with friends during my free time. In my community, all children are at home because schools were closed due to the coronavirus pandemic. It is good that Save the Children provided us with learning packs which we read and also answer questions. This has helped me not to forget school work.

I would like to become a doctor when I grow up.

Thank you so much for your support.

Yours,

Tanky
